

REMARKS

Claim 1 was amended and Claims 2 – 43 were cancelled in the Preliminary Amendment filed on September 18, 2002 and Claims 44 – 154 were added in that same submission.

Claims 155 – 158 were added in the Second Preliminary Amendment submitted by FAX on October 2, 2002 (and resubmitted, again by FAX, on May 21, 2003).

Claims 159 – 172 were added and Claim 157 was amended in the Third Preliminary Amendment filed May 30, 2003.

Claims 173 – 180 were added in the Fourth Preliminary Amendment filed August 20, 2003.

Claims 181 – 186 are being added in this Fifth Preliminary Amendment in order to claim more fully the invention disclosed in the originally filed application. Claims 181 - 185 add, to their respective head claims, limitations already contained in Claim 49. Claim 186 adds, to its respective head claim (Claim 137), limitations already contained in Claim 54.

Claims 78, 119, 128, 154, 174, and 176 are being cancelled in this Fifth Preliminary Amendment.

This Fifth Preliminary Amendment is being filed, and the prior four preliminary amendments were filed, to reassert more broadly in the claim set the full breadth of the inventions disclosed in the originally filed application. Neither this Fifth Preliminary Amendment nor any of the prior four preliminary amendments were prepared or filed for reasons related to patentability, but rather for reasons related to current activity of parties utilizing the disclosed invention.

If the Examiner considers that the prosecution of this Application can in any way be advanced by a telephone interview, he is urged to contact Jack Johnson at (973) 410-1500.
